ITEMS FOR DISCUSSION:

McCune was looking for help from the Police Department regarding traffic in the area of Wallington and Hamstead. Lt. Kalinowski offered directed traffic enforcement in that area daily from 1:00pm-4:00pm.

Traffic on Twin Cities Road, and the restricted left turns onto Twin Cities Road continues to be a topic of discussion. Mr. Lagge advised the "No Left Turn" restrictions from WalMart onto Fermoy are not being enforced by the PD. Mr. Winkler offered some insight to the restrictions citing some are actually WalMart's signs, and the WalMart has been asked to remove this particular sign. Doak added that allowing straight across between Raley's and WalMart would be a good compromise. Singleton added that the WalMart manager is looking into the legalities on their end regarding the signage changes. Lagge brought up his concerns regarding the "Pork Chop" median causing unsafe conditions for those utilizing the bike lane in that area.

McCune requested information on the number of officers and reserves and an update on the PD's hiring status. Lt. Kalinowski advised that we are currently fully staffed on the sworn side and that we currently have two Reserve Officers and were about to add a third. Discussion continued regarding different Reserve Officer Levels.
