ADDENDUM NUMBER 1
for

Pedestrian Enhancement Project
CIP No. 55G

City of Galt
Galt, California

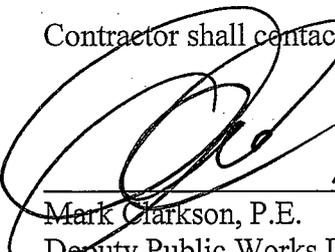

December 6, 2016

This Addendum changes the project specifications and drawings dated November 14, 2016. Unchanged portions of the drawings and specifications remain in effect. Bidders shall acknowledge receipt of this Addendum by detaching and returning this fax acknowledgment form OR indicating it on their bid form.

Note: This Addendum consists of:

- (2) Addendum No. 1 Cover, Clarification and Revision sheet
- (1) Revised 12/6/16 Seal Bid Form (Page 7 of original bid packet)
- (3) Total Sheets**

Contractor shall contact City immediately if all pages are not received.

Mark Clarkson, P.E. Date
Deputy Public Works Director

Clarification and Revisions

Chapter 9 General Provisions– Changes and Claims

Contractor shall note Assembly Bill 626 regarding claims resolution process will take effect for all public works projects awarded after January 1, 2017. The requirements of Assembly Bill 626 is hereby incorporated into Chapter 9 General Provisions – Changes and Claims.

Technical Specification

Bid Item No. 6 location is changed from Elk Hills Dr and Walnut Rd to West A St and Sparrow Dr. Please use this specification and the Revised 12/6/16 Seal Bid Form:

BID ITEM NO 6 RRFB CROSSWALK SYSTEM – WEST A ST AND SPARROW DR

The contractor is required to provide all time, labor, equipment, material, and all other needed facilities for the full and complete assembly and installation of this bid item.

RRFB installation shall conform to FHWA (IA-11) requirements. The lighted crosswalk system shall be Rectangular Rapid Flashing Beacon (RRFB-XL2) LED Crosswalk System Warning System by TAPCO or approved equal. Assembly for this location shall include:

- Two Heavy duty pole package (Tapco or approved equal) – 15' 4.5" OD Pole (SKU #101920) including all required foundation work. Foundation shall be installed per manufacturer's recommendations. Complete RRFB assembly including S1-1/W16-7P school zone signs. At each intersection corner where RRFB's / new poles are to be located, contractor shall recommend the best location to meet ADA clearance and for the best vehicle visibility for review. Contractor shall make installation only after City approval.
- Eastbound advance warning signs: Install new beacon on existing Speed Detector Sign (sync with RRFB). Install new S1-1 and W16-9R (Ahead) sign on existing pole.
- Westbound advance warning signs: Install new beacon on existing Speed Detector Sign (sync with RRFB). Install new S1-1 and W16-9R (Ahead) sign on existing pole.

Full Compensation shall be paid for by the Lump Sum units and no additional compensation shall be made thereafter.

Notice to Contractors

Project award is not based on a "blind selection" process. Award shall be per the language on page 7 (bottom of page).

Bid Item No. 7, Audible Push Button Replacement at Existing Signal Lights

The contractor shall use standard Polara bulldog pushbutton or approved equal. There are 22 total standard Polara bulldog pushbutton at the three intersections. Bid Item No. 7 is changed on the Revised Bid Form to reflect the 22 pushbuttons (in lieu of 3 intersections) EACH bid item.

Bid Form (Sheet 7)

With this Addendum, only Bid Item No. 5 is on existing poles. Contractor shall use the attached Revised 12/6/16 Seal Bid Form.

CITY OF GALT
