## ON YOUR MARK, GET SET, GENERAL PLAN

The City has hired the consulting firm of J. Laurence Mintier & Associates to help us update the Galt General Plan. In the next few months you will start to see information in the community about this exciting project. Please take advantage of this opportunity to make your voice heard.

The General Plan is the City's Constitution. It will express the commu-

nity's values, visions and goals for the future. We want you to help us plan for that exciting future and we guarantee that the process will be fun, informative and dynamic. Come join us!

Please watch the Galt Herald newspaper along with the City's website <http://www.ci.galt.ca.us> for upcoming events or call the Planning Department at (209) 366-7230

and request that your name be added to our notification list for direct mailings.

You can also send us an e-mail us to get your name added to our mailing list or to give us your ideas and input. Our e-mail address is [planning@ci.galt.ca.us](mailto:planning@ci.galt.ca.us).

We hope to see you soon.

## POLICE FACILITY

The long awaited move into the new Police facility at 455 Industrial Drive finally occurred on May 21. There have been many adjustments made to accommodate the new location, but all staff agree these are worthwhile given all of the added amenities. The entire move is almost complete. Although construction delays have prevented the complete move, the remainder of the property should be moved within the coming weeks.

We are looking forward to having our "Open House" ceremony when the building will be dedicated in July. There are just a few aesthetic items which first need to be addressed by the contractor.

Overall, staff could not be happier with the new facility. We may be rattling around like a BB in a cigar box right now, but we really appreciate the foresight that went into designing a quality facility which will serve our community for many years to come.

The city council would like to invite citizens to take a tour of the city with them on a day yet to be determined. This day would consist of a study session regarding priority projects and a tour of the city. If you are interested, please contact the city clerk's office at (209) 366-7130.

## RESIDENTIAL POOL DRAINAGE

Please remember, that the Galt Municipal Code prohibits draining chlorinated pool water into the storm drain system. De-chlorinated pool water may be discharged to the storm drain with permission from Public Works Director. If you are unable to de-chlorinate your pool water, it may be discharged into the sanitary sewer system.
